Spirited, unaffected and buoyant, this type family pays homage to the calligraphy and typeface designs of late Czech designer Oldrich Menhart.

came upon one of Menhart's typefaces over a decade ago, and I have been collecting examples of his work ever since." says ITC Oldrichium designer George Thompson. His calligraphic style has a haunting gothic flavor and his typefaces are, well, like nothing I've ever seen before."

Thompson was born in Chicago and grew up in northwest Indiana. "While I've been an educator and general graphic designer for over 30 years, lettering and type design

have always been an important part of my work." Since the release of type design software, Thompson has spent much of his free time designing typefaces. ■
