

HANDWRITING FONTS

A Unique cast of Characters

My dear Samuel,

I'm writing to tell you all about the fantastic party you missed. It was quite a **Deelirious** event, the whole place done up in **Etruscan** style with **Django** Reinhart's awesome guitar blasting out of every speaker. The food was to die for— you would have loved it as they even served your favorite casserole **Cyberkugel**. There was lots of **Berranger** wine flowing throughout the night.

Everyone who was anyone was there, including that snobby painter **Pablo**, who never attends these things. Many others were on Hand, including the ever-so-handsome **Bradley**, **Grimshaw**, and of course, **Viner**.

And to top it off, all of the guests got a goodie bag with a trendy **Trackpad** designed by that talented **Weber** gal. I just wanted to **Smack** you for not coming, you really should have!

Yours truly,
Dame **Zemke**

A diverse collection of scripts shows off the eclectic background of these fine designers. They take inspiration from a wide range of sources, but the resulting designs are all as unique as their individual handwritings.
